

ICE DEN - HOOKSETT

Masks have to be worn by **EVERYONE** over the age of 2 entering the facility. Coaches/Players must wear them everywhere except on the ice. This includes the locker room. Parents must wear them the entire time they are in the facility.

Players can enter the building 20 minutes before their scheduled start time – no earlier.

Parents can enter the building 5 minutes before their scheduled start time. The only exception here is for Mites to help with skates.

Siblings should be left at home whenever possible. If they need to come to the rink, they should be seated with their parents. They cannot be running around the facility unsupervised.

All spectators (including parents) need to be upstairs in the bleacher area for viewing. **THERE IS NO VIEWING FROM ICE LEVEL.** The warm room is closed until further notice.

The Coaching Staff is the only person standing outside the locker room before games or practices.

Players and parents must leave immediately after their practice/game.

The main entrance is for entering the building only. Please follow the exit signs when leaving the building.

Maintain social distancing at all times in the facility

Each participant, coach, and or spectator must fill out a Covid-19 questionnaire every time they enter the Ice Den Arena.

We will have a separate entrance and exit to the Arena. The entrance will be the front doors. Everyone must exit through the side door which will be clearly marked. a. Spectators will exit from the bleachers down the hallway on the second level to exit the side of the building.

Players will come out of the locker rooms and leave down the hallway and exit the same side door from the first level.

There will be absolutely NO congregating in the lobby or anywhere in the facility.

Coaches/Players entrance and exit of facility a. All players and coaches must enter not more than 20 Minutes prior to their game

Social distancing is required while in the building, in the locker rooms, and on the benches. (additional chairs will be provided outside locker room area and along the benches, if needed to maintain social distancing.)

Once the game has ended the coaches and players will have 15 minutes to exit the locker room and exit the facility through the designated exit.
